

# Stovetop Dough

## Ingredients:

- ½ cup all purpose flour
- ½ cup water
- 2 tbs salt
- 1 tsp cream of tartar
- 2-3 drops food coloring

In a saucepan (preferably nonstick), mix the first four ingredients together so the mixture is as smooth as possible. Add the food coloring and stir to mix thoroughly. Add more coloring if desired.

Heat slowly, stirring regularly. As the mixture starts to thicken, stir constantly. Soon it will begin to start to pull away from the sides of the saucepan and form one lump. This takes about five minutes. Remove from the heat and place the play dough ball on some parchment paper. Let cool and then knead for a minute or so.
