

Super Man Cape

Every good super hero needs a cape!! Capes can be made in a multitude of ways. The main thing to remember is that you do NOT want to tie anything around the child's neck. There should be no opportunity for danger. However, a cape can be made out of anything from a towel to scrap material to paper. It can be worn tucked into the neck of the child's shirt, attached with a hood or clipped onto the back of the shirt. The key is in the fun of decorating it and "flying" around with it!
